

"AUSTRALIAN MINING" INDEX

1972

AUTHORS

| | |
|----------------------------------|---------|
| Singhal, R.K. | Jan 30 |
| Shimomura, Y. | Feb 56 |
| Goto, Sakichichi and Ogawa Osamu | Feb 62 |
| Hawker, T.G. | Feb 78 |
| Harrison, James P. | Mar 44 |
| Cudmore, J.F. | Mar 52 |
| Meehan, J.A. | Mar 62 |
| Bland, Frederick | Mar 70 |
| Innes, J.A. and Wood, P.N. | Apr 16 |
| Warner, R.K. | May 16 |
| Liddy, John C. | May 24 |
| McLennan, Ian | May 35 |
| Browning, S.J. | May 48 |
| Bland, Frederick | May 56 |
| Antill, James M. | June 12 |
| Mohanty, B.K. | June 32 |
| Liddy, John C. | June 40 |
| Raju N.M. and Singh B. | June 52 |
| Terry, Michael | June 60 |
| Morgensen, J.A. | June 67 |
| Winter, H. | July 24 |
| Saunders, Brian | July 42 |
| Robertson, Derek | July 50 |
| Lumen, G. | July 56 |
| Lukeman, Craig | July 61 |
| Woodcock, J.T. | Aug 12 |
| Giffard, P.J. | Aug 61 |
| Floyd J.M. and Thurby, J.A. | Aug 72 |
| Parbo, A.H. | Sept 13 |
| Kay, R.L. | Sept 24 |
| Palmer, Derek | Sept 40 |

AUTHORS

| | |
|--------------------|---------|
| Barker, Rex | Sept 44 |
| Terry, Michael | Sept 51 |
| Liddy, John C. | Sept 54 |
| Shore, D.B. | Oct 20 |
| Liddy, John C. | Oct 28 |
| Bland, Frederick | Oct 48 |
| McGown, E.E. | Oct 58 |
| Lord, Brian | Oct 72 |
| Mackey, Thomas S. | Nov 18 |
| Stempe, Charles R. | Nov 46 |
| Maslen, Peter | Dec 19 |
| Scholes, W.A. | Dec 23 |

BOOK REVIEWS

| | |
|---|---------|
| The Mineral Resources Review, No 131, by Dept of Mines | Jan 51 |
| The Minerals Yearbook, by United States Dept of Interior | Jan 51 |
| Carboniferous and early brachiopods, by Commonwealth Dept of National Development Bureau of Mineral Resources | Jan 51 |
| Geological sheet covers ACT, by Dept of National Development Bureau of Mineral Resources | Jan 51 |
| The Economics of Tungsten, by Claude Barbier | Feb 93 |
| Queensland maps now available, by Minister for National Development | Feb 93 |
| 'Redlichia' of the Ordian of N Aust and NSW, by A.A. Opik | Feb 93 |
| North Eromanga and Drummond Basins Bravity Surveys, Old, by R.A. Gibb | Mar 87 |
| Geology of the Townsville, by D.H. Wyatt, A.G.L. Paine, D.E. Clarke and R.R. Harding | Mar 87 |
| Palaeontological Papers, 1968, by Bureau of Mineral Resources, Geology and Geophysics | Mar 87 |
| Drilling Operations at Otway Basin, by Bureau of Mineral Resources, Geology and Geophysics | Mar 87 |
| Technical Reports No 14 for 1969 by Tasmanian Dept of Mines | Apr 85 |
| Ferro Alloys, by Metal Bulletin Ltd | Apr 85 |
| Geological Survey Explanatory Report, by R.D. Cee | Apr 85 |
| Geology of the Ayr 1:250,000 Sheet Area, Old by A.G.L. Paine, C.M. Gregory, and D.E. Clarke | Apr 85 |
| Summary of Data and Results, Perth Basin, by Bureau of Mineral Resources, Geology and Geophysics | May 61 |
| Devonian and Carboniferous Brachiopods, by John Roberts | May 61 |
| Summary of Data and Results Bass Basin, Tasmania, by Bureau of Mineral Resources, Geology and Geophysics | June 81 |
| Bulletin Describes Copper Concentrator, by Technical Publications Dept, Joy Manufacturing Co | June 81 |
| Peridotite-Gabbro-Basalt Complex in Eastern Papua, by H.L. Davies | June 81 |
| Asbestos, by A.A. MacNevin | June 81 |
| Carboniferous and Early Permian Brachipods from Western and Northern Australia, by G.A. Thomas | June 81 |
| Mineral Deposits and Mines of the Townsville Area by K.R. Levingston | June 81 |
| Discharge of Bulk Materials from Self-Unloading Ships, by Vibra Screw Incorporated | July 71 |

BOOK REVIEWS

| | |
|---|---------|
| NSW Geological Records, by NSW Geological Survey | July 71 |
| Intermet Bulletin, April 1972, by Universiyt of Utah USA | July 71 |
| Magnesium, by K.R. Fitzpatrick | July 71 |
| Tin: Its Mining, Production, Technology and Applications, by C.L. Mantell, Ph.D | July 71 |
| Mineral Transportation, by Miller Freeman Publications, Inc | July 71 |
| Specimens in Palaeontological Collection of Department of Geology, by G.M. Philip | Aug 93 |
| Measuring and Control Instrumentation, by Hartmann & Braun Australia Pty Ltd | Aug 93 |
| Australian Mineral Industry, by Mineral Resources, Geology and Geophysics | Aug 93 |
| A Study of Industrial Explosives, by US Dept of the Interior and the National Science Foundation | Aug 93 |
| Primer on Combustion, by John N. Bradley | Aug 93 |
| Advances in Extractive Metallurgy and Refining, by Institution of Mining and Metallurgy | Aug 93 |
| New AMDEL Bulletin, by Australian Mineral Development Laboratories | Aug 93 |
| Northern Flinders Ranges Base Metal Occurrences, by The Geological Survey of South Australia | Aug 93 |
| British Geological Literature, by Dr N. Edwards | Sept 81 |
| International Conference on Gold, by A. Brodie | Sept 81 |
| Bulletin No 922, by Acromet Pty Ltd | Sept 81 |
| Industrial Diamonds Buyers' Guide 1972, by Industrial Diamond Information Bureau | Sept 81 |
| Mining Journal Index, by Queensland Dept of Mines | Sept 81 |
| Coal Resources West Moreton, by Queensland Dept of Mines | Sept 81 |
| Australian Institute of Metals Handbook, by Australian Institute of Metals | Oct 81 |
| Valves for the Control of Fluids, by British Valve Manufacturers' Association | Oct 81 |
| Mining International Yearbook, the FT Business Publications Ltd | Oct 81 |
| Pollen and Spore Assemblages, by Queensland Dept of Mines | Oct 81 |
| Noise Control in Mechanical Services, by D. Richardson and Sons Pty Ltd | Oct 81 |
| Industrial Diamond Buyers Guide, by Industrial Diamond Information Bureau | Oct 81 |

BOOK REVIEWS

| | |
|---|--------|
| Uranium prospecting handbook, by Institution of Mining and Metallurgy | Nov 74 |
| Waste water clean-up, by Joy Manufacturing Co | Nov 74 |
| Geological Reconnaissance of a Proposed Power Station at Gladstone, by G.W. Hofmann | Nov 74 |
| Coal Resources - Baralaba-Moura-Kianga-Theodore Coalfield, by E.S. Chiu Chong | Nov 74 |
| Effectiveness of Bolting in "S" Group of Collieries, by Central Mining Research Station Dhanbad | Nov 74 |
| New Standard for Voltages and Frequency for Coal Mines, by Standards Association | Nov 74 |
| Gilmore Gas Field, by W.L. Benstead | Nov 74 |

EDITORIAL

| | |
|---|---------|
| Protecting the Investor | Jan 29 |
| After WA, NT? | Feb 55 |
| How Many Markets? | Mar 17 |
| A Timely Warning | Apr 11 |
| The Future of Uranium | May 11 |
| Mining Growth Continues | June 11 |
| The Right Perspective | July 11 |
| Water, water | Aug 11 |
| Approval for Uranium Export | Sept 11 |
| Once More the Infrastructure | Oct 11 |
| Beach Sands and the Conservation Movement | Nov 11 |
| Crisis in Coal? | Dec 9 |

ARTICLES

| | |
|--|---------|
| A drill for rotary, percussion and core work | Jan 41 |
| A laminated wearplate for the mining industry | Apr 57 |
| Alcoa's Pinjarra Bauxite mining operations, by R. Barker | Sept 44 |
| Alluvial mining procedure, by J.A. Meehan | Mar 62 |
| Alteration and recofery of ilmenite and rutile, by Dr Thomas S. Mackey | Nov 18 |
| An ABC of the Australian mineral sands industry, by Charles R. Stempe | Nov 58 |
| APEA papers reviewed, by Derek Robertson | July 50 |
| Aspects of nickel developments in WA, by A.H. Parbo | Sept 13 |
| Aust IMM meets in Newcastle | July 12 |
| Australian Mineral Foundation will serve the mining industry | Apr 66 |
| Australian Mining's list of operating hard rock mines and mines under development | Mar 30 |
| Beach sand mining and the environment, by Charles R. Stempe | Nov 46 |
| BHP'S Central Queensland coal project | Jan 42 |
| Bougainville - Australia's most formidable mining undertaking | Apr 60 |
| Capitalisation of Kalgoorlie gold mines in the late 1890's, by E. McGowan | Oct 58 |
| Changes must come in copper smelter desing | Feb 76 |
| Choosing a wet drum separator, by T.G. Hawker | Feb 78 |
| Coal mines in Australia | June 76 |
| Coal mining technology research in USA, by Dr. R.K. Singhal | Jan 30 |
| Computers in the mineral industry, by Dr. Brian Saunders | July 42 |
| Computer control of spare parts supply, by Frederick Bland | Oct 48 |
| Computing ore reserves at Mount Isa, by Frederick Bland | Mar 70 |
| Current blasting trends in open-pit mining and quarrying, by D.B. Shore | Oct 20 |
| Down-the-hole hammers for blast hole drilling | Oct 44 |
| Dravo sets construction record | Jan 37 |
| Economic dewatering with new centrifuge | Feb 72 |
| Eimco's underground range | July 19 |
| Environment emphasised in new quarry | Feb 80 |
| Extension equipment for bench drilling, by G. Lumen | July 56 |

ARTICLES

| | |
|---|---------|
| Extractive metallurgy of main metals in Japan, by Sakichi Goto and Osamu Ogawa | Feb 62 |
| Financial evaluation in exploration, by James P. Harrison | Mar 44 |
| Five new copper alloys | June 28 |
| Fullface boring | Apr 70 |
| Gaseous reduction of liquid tin slags, by J.M. Floyd and J.A. Thurby | Aug 72 |
| High altitude testing | Aug 57 |
| High grade iron ore from Yampi | Sept 18 |
| How BHP mines Manganese at Groote Evlandt | Mar 19 |
| Investigation on rock bolting in Indian mines, by Sri N.M. Raju and Dr B. Singhal | June 52 |
| Leach extraction of copper | June 24 |
| London's international mining exhibition, by Brian Lord | Oct 72 |
| Major breakthrough in automation of mineral processing plants | Apr 48 |
| Major expansion of Comalco's bauxite capacity | Dec 11 |
| Mandoseal - a unique underground sealant and fire resistant coating | Oct 38 |
| Manganese in Australia, by John C. Liddy | June 40 |
| Mapping potential uranium deposits, by Frederick Bland | May 56 |
| Marion products at US coal show | June 22 |
| Metric conversion of mining engineers, by James M. Antill | June 12 |
| Mindrill's mini expo | Feb 75 |
| Mine operations at Bougainville Copper, by R.L. Kay | Sept 24 |
| Mineral processing progress in Australia 1971, by J.T. Woodcock | Aug 12 |
| Mineral rights legislature in Australia, by B.K. Mohanty | June 32 |
| Mining boom in Papua-New Guinea, by W.A. Scholes | Dec 23 |
| Mining coal in the Hunter Valley | Apr 12 |
| Mining in Japan, by Professor Y. Shimomura | Feb 56 |
| Mining lateritic nickel | July 32 |
| Mobile coal face machinery operates at single voltage | Nov 65 |
| Mobile quarrying plant, by H. Winter | July 24 |
| New Amdel laboratories opened | Apr 45 |
| New drillhole logger | July 30 |

ARTICLES

| | |
|---|---------|
| New horizons in geochemical exploration, by J.A. Morgensen | Juen 67 |
| New Zealand's metal requirements = a matter of urgency | June 37 |
| Nuclear power developments, by Dr R.K. Warner | May 16 |
| Off-shore deposits breathe life into Indonesia's industry | Oct 15 |
| Opencut coal mining | Jan 38 |
| Optimism characterises Quarrying Conference | Dec 37 |
| Our most isolated goldfield, by Michael Terry | Sept 51 |
| Plant and process know-how in industry display | July 38 |
| Polytechnicon: an integrated approach to natural resources management | Dec 33 |
| Processing of uranium ores, by S.J. Browning | May 48 |
| Predication of properties of 'as mined' coal from exploration bore core data, by J.F. Cudmore | Mar 52 |
| Prospecting 46 years ago, by Michael Terry | June 60 |
| Quality control in industrial processes | Sept 23 |
| Record shaft in Norway | Dec 49 |
| Some hard thinking required, by Sir Ian McLennan | May 35 |
| Steel leaders meet in London, by P. Maslen | Dec 19 |
| Surface active agents in the coal industry, by Craig Lukeman | July 61 |
| Symposium on automatic control systems in mineral processing plants | Feb 69 |
| Technical development for sand mining, by P.J. Giffard | Aug 61 |
| The economics of processing Pilbara iron ores, by J.A. Innes and P.N. Wood | Apr 16 |
| The magnetometer in exploration, by John C. Liddy | Oct 28 |
| The mining industry and the environment | May 12 |
| The Pilcon 50 Traveller | Dec 31 |
| The uranium potential of Australia, by John C. Liddy | May 24 |
| The uranium search in Australia | May 40 |
| Two-man rig to tackle angle holes | Aug 65 |
| Underground communications, by Derek Palmer | Sept 40 |
| Ultrabasic - basic nickel mineralisation, by John C. Liddy | Sept 54 |
| USA running out of minerals | Dec 43 |
| Versatile drilling rig | Mar 25 |
| Vibrating feeders achieving greater Australian usage | Dec 15 |
| Vickers/Ruwolt to build mobile crushing units | Apr 53 |
